**Date: 17.12.2024**

1. The vacancy year wise Revised Provisional Eligibility List of applicants of AAO LDCE 2024 for different vacancy years is as per Annexure A.
2. The vacancy year-wise provisional eligibility of applicants has been determined by respective Circle Level Coordination Committees based on the information provided by the applicants, subsequent verification by respective divisional heads/unit heads, representations received from applicants in response to Provisional Eligibility List issued on 24.11.2024, other correspondences between SNOs and respective Divisional Heads & applicants, etc.
3. It is emphasized that the vacancy year wise eligibility status mentioned in Annexure A is provisional in nature. The applicants should note that the vacancy year wise eligibility status is liable to be modified at any stage of the examination process. The eligibility status mentioned in Annexure A does not bestow any right/privilege whatsoever to the applicants.
4. It is reiterated that the candidature of applicants is provisional and liable to be cancelled at any stage of the examination process.
5. The applicants are yet again informed that in certain cases the Divisional Heads have not verified the Graduate status. The provisional eligibility of such applicants is further limited by confirmation of their graduation status.
